Let's talk:

Asking for help

1. What do your supervisors say when they need help? What do you say?
2. What do your co-workers say when they need help? What do you say?
3. What do the customers say when they need help? What do you say?

Giving help

1. What do your supervisors say when they give help? What do you say?
2. What do your co-workers say when they give help? What do you say?
