

Topic: Travel

Let's get started...

When was the last time you traveled outside of Bellevue/Seattle? Where did you go? What did you do? Why did you go?

Background:

People travel for many different reasons. They travel for fun and recreation, to visit family, to go to work, to move to a new place, or to go on a religious pilgrimage. There are many ways to travel, such as by foot, by car, by bus, by subway, by train, by boat, and by airplane. Using the Internet makes it very convenient to make travel plans. Americans say that "the world is becoming smaller" as more people travel to places far away from their homes.

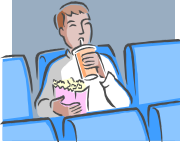

In pairs, talk about a place you have traveled to.

1. Why did you go there?
2. How did you plan your trip? (Transportation, food, visas, luggage, etc.)
3. What did you do when you arrived?
4. Did you like or dislike the place? Why or why not?
5. Would you recommend this place to other travelers?

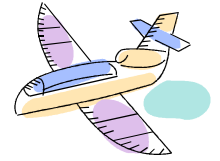

Share with the larger group something you learned.

Interview 3 people about travel. Write down their names. Ask them, "Did you ever travel _____?" And then write their answers for each box, yes or no. Ask them to explain.

Name	Alone? 	With family? 	For work? 	For a move? 	For health?
