

Topic: Music

Let's get started . . . Did you learn to play a musical instrument as a child? Explain.

Story: Here are choruses from two songs about finding your dream or meeting your goals for your life. First, "**Climb Every Mountain**", from the 1965 musical movie "The Sound of Music":

Climb every mountain
Ford every stream
Follow every rainbow
'Till you find your dream

Second, "**Climb**", from "Hannah Montana: The Movie", 2009:

There's always gonna be another mountain
I'm always gonna wanna make it move
Always gonna be a uphill battle
Sometimes I'm gonna have to lose

In pairs for 10 minutes, talk about the songs:

Compare the ideas in the two songs above. What is the message of each song? Do you agree with the message? Explain.

Share your partner's answers with the group.

Interview 3 people in your class about music they listen to. Write down their names and their answers.

What is your name?	What kind of music do you listen to? Give examples.
Example: Victor	Example: I listen to classical music. I like Vivaldi, Bach and Tchaikovsky.
